

## A Complete Act of Faust

### The Great Prison Scene sung by Caruso, Farrar and Journet

The short final act of Faust is truly one of the grandest of operatic compositions.

And no more impressive performance of Gounod's uplifting music could be imagined than the magnificent rendition of this tremendous dramatic scene by these three great artists.

## GENERAL MILLS HERE TUESDAY

Will Discuss Plans for New Buildings at St. Louis and Oregon.

Gen. Anson Mills will arrive in El Paso Tuesday to arrange for the plans of the proposed new Mills building on the corner of Oregon and St. Louis streets, facing the two plazas. Gen. Mills is coming from Washington to discuss the plans with the architect, and H. B. Stevens, his representative here.

The plan to have the St. Louis street front of the building changed will be taken up with the city at once. The consent of the owners of the Plaza block, which adjoins the Mills building on the west, has been secured for an alleyway between the two buildings, and if the city consents to the change in the property line it is probable that Gen. Mills will order work begun on the new fireproof and concrete building at once.

The angle of the St. Louis street frontage will be changed by moving the transfer plaza corner back 15 feet, making the approach to the plaza 15 feet wider in front of the Sheldon, and to make the property line extend 15 feet farther into St. Louis street, on the west line, than at present.

It is understood that the city favors such a change in order to get a wider approach to Pioneer and San Jacinto plazas, and little trouble is expected from that source.

smoker and luncheon of the Elks will be held in the court of the Elks' club. At the meeting which will be held before the luncheon begins, officers for the year will be nominated.

Ed Kneezell—the Big Chief—as the members love to call him—has been endorsed for district deputy. A committee has prepared resolutions to be presented to the other lodges in this district seeking their cooperation in the matter of securing his appointment.

The house committee report for January showed a net profit above all expenses of \$58.79.

The committee headed by John Wyatt which had charge of the Christmas tree celebration, has made a report showing

they had spent about \$1500, and took care of about 600 children. The deficit of \$380 was ordered paid out of the lodge funds.

The charity fund is growing gradually. It is now the purpose of the lodge to take care of all work of this kind out of this fund and not resort to passing the hat among the members. Many contributions have been made of 50, 25 and 10. A large number of the \$15.00 notes held by members have been donated by members.

Local bylaws now permit a member of any other lodge to affiliate upon payment of \$10. Many Elks residing here and belonging to lodges elsewhere are affiliating.

## ASK YOUR NEIGHBORS

And you will generally find that they know of more good, intelligent people, those of good sense and discernment in your vicinity who have been cured by Dr. Pierce's World-famed Family Medicines than by all other proprietary medicines. They have been making these cures right along for over forty years and altogether likely you will easily find people all about you who will be only too glad to say a good word for them. These old reliable curatives are not exploited or urged upon the afflicted by extravagant and false promises but have a record of real, genuine cures to sustain them.

Among women Dr. Pierce's Favorite Prescription is truly a favorite by reason of its remarkable cures which, for over forty years by far exceed those which can be credited to any medicine extant. By a little inquiry you will no doubt find some of these cured and grateful cases in your immediate neighborhood, for they are to be met with practically EVERYWHERE. They are Dr. Pierce's best advertisements. Seek their advice if you are a poor despondent over-burdened broken down, weak, or pain-wracked woman, suffering from some derangement or weakness incident to your sex.

The People's Common Sense Medical Adviser in plain English, by R. V. Pierce, M. D., (new fully revised up-to-date edition) gives all particulars which women need to know about their peculiar functions and how to correct ordinary derangements and weaknesses.
